

This web page is from [www.rowmaps.com](http://www.rowmaps.com), a project to show rights of way on maps. The underlying map on this web page is provided by [OS OpenSpace](http://OS OpenSpace) and this is © Crown copyright and database rights 2021 Ordnance Survey. It is subject to these [Terms of Use](#). By default, this web page uses a zoom level of 13 which provides an OS 1:50000 ("Landranger") map. You also get this kind of map at zoom level 14. The notation used by the OS on a 1:50000 map is shown on [this PDF page](#).

The council of Nottinghamshire releases under licence data containing details of the rights of way that are in Nottinghamshire. The date of this data is 25th August 2020.

An authority's Definitive Map is the authoritative source of their rights of way. The details of the public rights of way network contained in an authority's data are for information only, and are an interpretation of the Definitive Map, not the Definitive Map itself, and should not be relied on for determining the position or alignment of any public right of way. For legal purposes, an authority's data does not replace their Definitive Map. And changes may have been made to the Definitive Map that are not included in their data. The authority's data contains Ordnance Survey data © Crown copyright and database right 2021. Attempting to view this data with more detail than 1:10000 may produce an inaccurate rendering of the route of a public right of way.
